

# EASTER CRAFT ACTIVITY

The template consists of several parts:
 

- GLUE EGG BASE:** A light blue semi-circle at the top center.
- GLUE HERE:** Six light blue trapezoidal tabs for assembly, located on the left, right, top, and bottom edges.
- STAEOTLER Logos:** Two logos are placed on the top flaps.
- Illustration:** A 3D illustration of a decorated Easter egg on a box with a blue bow and yellow flowers.
- Scissors and Arrow:** A pair of scissors icon and an arrow pointing to the cut line with the text "Cut me out".
- Egg Design:** A large outline of an Easter egg with three bunnies, five circles, and a zigzag pattern.
- Decorations:** A bow and two flowers are shown as separate cut-out pieces.

## Easter Egg

A fun little Easter craft activity for the whole classroom.

Simply colour-in the cube and then cut-out the cube.

Use a glue stick on all of the blue areas to secure the cube, then add the egg and the extra decorations.
