Cut along the solid lines

Instructions:

- Carefully cut out the gift box along the marked lines using scissors.
- Use crayons, pencil colours, or coloured marker to personalise the box. You can consider decorating it with stickers or personal messages to add a special touch.
- Using a glue stick, carefully paste the corners together to form the box structure. Press firmly to secure each corner, ensuring the box holds its shape.
- Fill the box with your favourite candies, chocolates, or small gifts.
