Cut along the solid lines

Instructions:

1. Download the worksheet and cut the card as marked on the template.
2. Colour the flowers using your favourite colours, markers, or crayons. You can also add decorations like stickers, glitter, or small drawings to make your card truly unique and special.
3. Write a short message expressing your appreciation for your favourite teacher.
4. Once the card is all set, students can present it to their teacher as a special gift on Teacher's Day.
