## Instructions:

1. Start by downloading and printing the Easter Bunny Rocking Egg worksheet.
2. Carefully cut out the egg shape, bunny body, and bunny ears.
3. Use crayons, markers, or paint to decorate the egg, bunny, and ears. Be as creative as you like.
4. Cut out the crack shape from the worksheet, making sure not to cut the sides of the base.
5. Fold the egg shape in half along the crack, ensuring that the open section of the crack is in the middle of the fold.
6. Insert the bunny cut-out into the centre of the crack, then glue it securely from the back.
7. Once the bunny is glued, stick the ears, eyes, and nose.
8. For an extra touch, decorate the egg with rhinestones, sequins, pom-poms or jewels.
9. Your fun Easter Bunny Paper Rocker Egg is now complete and ready to display.
