

A foldable writing activity template. It consists of a large central rectangle with a dashed border. Inside this rectangle are three horizontal solid lines, dividing the space into four equal sections for writing. Above the top of the rectangle is a smaller rectangle with a dashed border, containing the word "GLUE" in bold capital letters. Below the bottom of the rectangle is another smaller rectangle with a dashed border, also containing the word "GLUE" in bold capital letters. The entire template is designed to be folded into a book-like structure.
